

TÉMATA K PROFILOVE MATURITNI ZKOUSCE Z ANGLICKEHO JAZYKA

PRO SK. ROK 2015/2016

Obor: Gymnázium, zaměření matematika, IVT a fyzika.

Témata otázek, obrázků a samostatného projevu:

Profilová maturitní zkouška z anglického jazyka se skládá ze tří částí:

1) Otázky na jedno ze všeobecných témat. (cca 4,5')

Student odpoví na 2 – 4 otázky v dostatečné míře podrobnosti.

2) Popis obrázku se všeobecnou tematikou. (cca 4,5')

Student popíše a srovná obrázky; odpoví na doplňující otázky z dané tematiky.

3) Odborný anglický jazyk v oblasti matematiky, IVT a fyziky. (cca 5,5')

Student popíše / přečte / vysvětlí / přeloží zadané úkoly ze tří profilových oblastí.

(V úvodu maturitní zkoušky se krátce představí cca 0,5' – nepočítá se do celkového hodnocení MZK)

Témata OTÁZEK na všeobecná témata k profilové maturitní zkoušce z anglického jazyka

- | | | | |
|---------------------------|-----------------------|------------------------------|-------------------------|
| 1. Culture | 6. Healthy life style | 11. My future plans | 16. Personal relations |
| 2. Customs and traditions | 7. Human society | 12. My hometown | 17. Physical appearance |
| 3. Education | 8. My daily routine | 13. My house or flat | 18. Shopping |
| 4. Environment | 9. My family | 14. My room | 19. Social problems |
| 5. Food and eating habits | 10. My free time | 15. Personal characteristics | 20. Sports |

Témata OBRÁZKŮ k profilové maturitní zkoušce z anglického jazyka – pictures of ...

- | | | | |
|----------------------------|--------------------------|--------------------------|----------------------|
| 1. Culture. | 6. Free time activities. | 11. Jobs. | 16. Shopping. |
| 2. Customs and traditions. | 7. Global issues. | 12. Living abroad. | 17. Social problems. |
| 3. Daily routine. | 8. Holidays. | 13. Personal relations. | 18. Sports. |
| 4. Environment. | 9. A house. | 14. Physical appearance. | 19. Transport. |
| 5. Food and eating habits. | 10. Human character. | 15. A school. | 20. Weather. |

TÉMATA k samostatnému projevu u profilové maturitní zkoušky z anglického jazyka.

- | | |
|---|-------------------------------------|
| 1. Computer applications | 11. Numbers |
| 2. English in Physics | 12. Operating system |
| 3. Inside a computer | 13. Physical laws and principles |
| 4. Internet | 14. Physical quantities |
| 5. Laboratory report in Physics | 15. Physical units |
| 6. Lines and shapes | 16. Physics terms |
| 7. Mathematical calculations | 17. Physics tools and equipment |
| 8. Mathematical symbols and expressions | 18. Setting up a desktop computer |
| 9. Mathematical tasks in English | 19. Solids and angles |
| 10. Measures | 20. Workstation and its peripherals |

Poznámka: Student bude znát kombinaci jednotlivých částí maturitní zkoušky až na přípravě.

Předsedkyně předmětové komise Aj

Mgr. Dagmar Krublová

Okruhy OTÁZEK na všeobecná témata k profilové maturitní zkoušce z anglického jazyka – podrobně:

1. Culture *literature / theatre / cinema / painting / architecture / music / dancing / ...*
2. Customs and traditions *in English speaking countries and in the Czech Republic / family*
3. Education *in English speaking countries and in the Czech Republic*
4. Environment *kinds of pollution / consequences / possible solutions / being “green”*
5. Food and eating habits *in English speaking countries and in the Czech Republic / healthy eating*
6. Healthy lifestyle *healthy food / junk food / eating out / being on a diet*
7. Human society *common medias / communication / traditions / helping people / religions*
8. My daily routine *morning routine / school timetable / activities / ideal day*
9. My family *extended family / advantages of having siblings / duties*
10. My free time *leisure activities / sports / hobbies*
11. My future plans *studies / finding a job / having a gap year / studying or working abroad / family*
12. My home town *sights / places for sports and culture / facilities*
13. My house or flat *placement and surroundings / rooms and furnishing / ideal living place*
14. My room *furniture / view / decorations / possible changes*
15. Personal characteristics *positive / negative / annoying habits*
16. Personal relations *family relations / choosing / making friends, qualities*
17. Physical appearance *body description / clothes description / fashion*
18. Shopping *kinds of shops / goods / online shopping / paying*
19. Social problems *unemployment / crime / homelessness / poverty*
20. Sports *kinds of sports / equipment*

Okruhy TÉMAT k profilové maturitní zkoušce z anglického jazyka - podrobně

1. English in Maths, IT and Physics (grammar structures in maths; Internet terms; Ph specific vocabulary translation)
2. English in Maths, IT and Physics (label the circles; Internet and WWW; Ph specific vocabulary translation)
3. English in Maths, IT and Physics (label the lines, shapes, angles, ...; computer application terms; Ph specific vocabulary translation)
4. English in Maths, IT and Physics (label the lines, shapes, ...; computer application terms; Ph specific vocabulary translation)
5. English in Maths, IT and Physics (label the lines, shapes, solids, ...; computer application terms; Ph specific vocabulary translation)
6. English in Maths, IT and Physics (maths symbol, maths expression; components inside PC; translation of Ph laws)
7. English in Maths, IT and Physics (maths task translation; Internet terms; a lab report)
8. English in Maths, IT and Physics (maths task translation; Internet terms; a lab working procedure)
9. English in Maths, IT and Physics (measurement system; basic operating system description; Ph specific vocabulary translation)
10. English in Maths, IT and Physics (number x numeral; kinds of numbers; parts of PC; physical quantities and units, base SI units)
11. English in Maths, IT and Physics (reading maths calculations; computer set up; Ph specific vocabulary translation)
12. English in Maths, IT and Physics (reading maths calculations; explain PC vocabulary; Ph specific vocabulary translation)
13. English in Maths, IT and Physics (reading maths calculations; front and rear PC panels; Ph specific vocabulary translation)
14. English in Maths, IT and Physics (reading maths calculations; PC operating system; Ph specific vocabulary translation)
15. English in Maths, IT and Physics (reading numbers; computer peripherals; derived units, units outside the SI)
16. English in Maths, IT and Physics (reading numbers; computer peripherals; grammar structures in physical laws and principles)
17. English in Maths, IT and Physics (reading non-metric measures; computer applications; Ph specific vocabulary translation)
18. English in Maths, IT and Physics (reading non-metric measures; computer application terms; Ph specific vocabulary translation)
19. English in Maths, IT and Physics (reading symbols; description of motherboard PC; translation of Ph laws)
20. English in Maths, IT and Physics (reading symbols; description of PC components; translation of Ph laws)
